

UTC Sheffield City Centre - Y12 UCAS Preparation Day

Monday 3 July 2017 – 9.30am – 1.30pm

We would like to notify students and parents of our upcoming UCAS preparation day for Y12 students. The event is on Monday 3 July, 9:30am start. Attendance is **compulsory** for any Y12 student who is considering applying to university next year. The event is critical in ensuring students make informed choices over which courses to study in Y13 and to allow staff sufficient time to organise references and applications for students.

We would request students bring their own devices where possible. If they attended the universities convention at the Sheffield Arena they should also bring along any prospectuses/leaflets they picked up.

If you have any questions about the event please contact Miss Hughes via reception on 2603970 or shughes@utcsheffield.org.uk

If you are studying A Level maths please continue with your normal lessons during the week.

Thank you for your support.

Miss S Hughes
