UTC Sheffield City Centre Safeguarding / LAC /
SEN Link Governor

UTC Sheffield City Centre EQC Committee

Pecuniary Interests	20 November 2017	Shareholder/Company Secretary J Roberts Design Ltd
		Big Math Consultant Andrell Education

Personal Profile:

Sally has been a teacher in a large primary school for 20 years, working across all age groups but predominantly Year 6 and in a variety of roles including Key stage leader, Assistant Head and Maths leader. Becoming Maths leader has also opened the door for Sally to become a Maths consultant.

Sally has a good knowledge of the curriculum, SEN, pupil premium funding, safeguarding along with leading and running a school which she will bring to the governing body of the UTC.

Pastoral care of students is very important as happy children learn - therefore developing positive relationships with students and parents is of paramount importance. Since attending the UTC, Sally's son has found a school that is supportive, encouraging and challenging in positive ways and relishes the opportunity to work with the UTC to ensure it does all it can to become even better than it already is for all it's students, staff, parents and partners.
